- 4) The PR Chairperson and Vice-Chairperson and one member of the Gold Coast Area Administrative Committee shall be privy to all phone line account information and passwords required to access the account.
 - 5) You are performing a valuable service when you answer the phone for Narcotics Anonymous. Your job requires compassion and reliability. You can express your compassion when addicts or their loved ones call NA to ask for help. It will require patience to effectively listen to the needs of the caller and to provide the appropriate referral. Your commitment is vitally important to suffering addicts. Addiction is a disease that affects the whole family, and for that reason, we can expect to receive calls from family and friends of active addicts. We need to treat callers with respect and to talk to anyone who reaches out for help. Families and friends of addicts often feel isolated and ashamed. It is important to take a little time with these people because they may be reaching out for the first time. They need and deserve encouragement.
 - 6) REMEMBER: WE ARE NOT COUNSELORS! We need to refer people to the appropriate service, **such as 211**. It is important to determine if the caller is in immediate physical danger, or in need of immediate medical assistance. ***If you feel a life threatening situation is happening, get the caller's name and address, and then call 911.***
 - 7) Our primary purpose is to stay CLEAN and to carry the message of Narcotics Anonymous to the addict who still suffers. Our Helpline has been set up through a phone service and is listed in the phonebook and online.
