<b>GOLD COAST CONVENTION ADMINISTRATIVE COMMITTEE</b>	Money Handling?: <i>variable</i>
<p>A. <i>PURPOSE</i> The Administrative Committee holds separate, periodic and special committee meetings and carries out the will of the Convention Committee. Its function is to ensure that the various Subcommittees work together and to assist those Subcommittees, however it is not necessary for the Administrative Committee to involve itself directly in the specific workings of each Subcommittee. The members of the Administrative Committee discuss the performance of the Subcommittees as well as the overall budget and other matters which affect the convention. The results of these discussions are included in reports at Convention</p>	

Committee meetings. The Administrative Committee drafts a schedule of meeting dates for the Convention Committee as soon as possible. This schedule is then approved by the Convention Committee and distributed to all members. It is advisable to choose a night on which meetings will be held and schedule all meetings on that night throughout the duration of the planning period. The Administrative Committee also makes regular reports to the ASC. Comments and suggestions from the ASC are included in the Chairperson's report.

### 0 - RSC (REGION) TRUSTED SERVANT POSITIONS OPEN FOR NOMINATION

#### 9. RCM REPORT - SUBMITTED BY Paul I.

This last month (July 2022) was an "off cycle" month, so there was no RSC meeting in July

I'd like to take this opportunity to update / remind the GSRs about some upcoming motions and developments in NA as a whole

( Apologies in advance for formatting issues- I'm a baby boomer, maybe if I used a typewriter...)

IRAN fellowship printing their own literature (Iran RD letter sent out earlier- will forward NAWS response when I dig it up)

A reminder to GSRs what the FIPT ( Fellowship Intellectual Property Trust ) is about and how it might relate

The CAR report will be coming up at the end of the year ( November) - workshops will be set up; a few items of interest include:

\* Motion K - a work group to examine if the current NAWS biz plan is "financially prudent" ( pandemic, zoom, supply chain etc )

Motion B - Project plan for "back to basics" style step study 'booklet' - questions related to basic text sentences

We ( SFR) re-submitted the South Atlantic car motion, which was confirmed and has been identified as “Motion K”, we( RD- AD) now have to work with Jack and Irene, our assigned world board contacts, to make this motion “CAR ready” but the wording below has been verified as of now with the board

Motion K

Motion to read: Before the end of the current lease of the WSO, the business plan workgroup will investigate if it is financially prudent to change the location of the office. They will then present a report sent out to the fellowship the following annual report explaining what factors shaped the decision to keep the same location or change it.

Intent: This is not intended to micromanage the office or direct them to change locations. Simply to help the fellowship understand how these decisions are made in order to foster more trust. I’ve been told that this research is a standard part of business for the business plan workgroup, and we would just like the process and outcome made available to those in the fellowship that are interested.

We also submitted the motion from Area de Habla Hispana del sur de Florida, and I have received confirmation that we are now a comaker of that motion, see wording below in both English and Spanish.

MOTION B: To direct the World Board to develop a project plan, for consideration at WSC-2022, to create a booklet of Step study questions with the parameter that each question is derived from one sentence in the Basic Text chapter ‘How It works’.

INTENT: To create a fellowship approved, inexpensive, NA Step study questions booklet that relates directly back to the Basic Text.

MAKERS: Baja-Son Region, Occidente, Northern California, Southern California, South Florida

RATIONAL by REGION: The need is for elemental non-personal NA Step study material that can be read one-on-one, in NA group meetings, in institutions and in Behind The Walls correspondence. When the answers to study questions are the sentences in NA literature then issues of personality, ego, politics, religion and other affiliations are removed. The answer is always the original line in the Basic Text from which the question was created. With a booklet of Basic Text Step study questions and the Introductory Guide, it is possible to teach and/or study the NA program for about \$3 USD. We believe we are identifying a need not generally understood in the first world English speaking part of our Fellowship. Instead of asking for donations, we are requesting your support for the tools we need to succeed. The result of this motion would be a stapled booklet about the size of the Group Booklet. The NA Introductory Guide combined with Basic Text Step Study Questions is an inexpensive way to bring the NA program into both the incarceration and addiction rehabilitation environments. A first time through the Steps with the Basic Text provides a strong foundation for all members and facilitates future study with other NA literature. The Basic Text is uncomplicated, heartfelt NA recovery literature which addicts can identify with and embrace. This piece would logically be translated after the NA Intro Guide and before the book length Basic Text, reducing the development time for emerging fellowships to be able to study the NA program.

We are now only 5 months away from the next Conference Agenda Report, and we have a good idea what a lot of it will be. Expect the proposals for the alterations of the FIPT and the bulletins associated with it, a motion to review gender specific and monotheistic terms in our lit, and several motions involving WSC cycle length and procedures, as well as seating related motions and who is considered a participant, and the level of participation they have.

Some projects have already begun, front end input for revision of “The Loner” IP, and a survey to frame the proposed IP on DRT/MAT are out currently.

## 10. SUBCOMMITTEE REPORTS

- **ACTIVITIES SUBCOMMITTEE REPORT SUBMITTED BY Rusty.**

Greetings from the Gold Coast Area Activities Subcommittee,

We meet the first and third Tuesday of the month at 7:00 PM in the little room of the Serenity by the Sea clubhouse.

The subcommittee's last meeting was on August 2nd. We still need support from the area and we meet again on August 16th

Our last event was the area's 44th anniversary dinner on July 30th at Sanctuary Church in Ft. Lauderdale. To be honest, the event could have been better attended. A total of 90 tickets were sold out of 150. Attendance probably would have been better if the Mid Coat convention wasn't occurring on the same weekend that we had planned the dinner.

The treasurer has the financial breakdown in her report

We are currently working on Clean but Crazy at Snyder Park on September 5th. Buttons are now available online and with activities members. We will also have buttons for sale at literature distribution next Saturday. The pre-sale price for the buttons are \$10 each and it will jump up to 15 at the day of the event. I have also attached a flyer to my report so GSRs can make their home groups aware of our next event.

I am also excited to be announcing that we will be having an brand new event on February 11, 2023 at Snyder Park. The first annual Rap N Recovery will be happening and the subcommittee has started the beginning stages of preparation for this event. A "save the date" flyer will be sent out next month.

As this is my final report as activities chair, I'd like to thank you all for your support and the opportunity for me to be of service.

In loving service,  
Rusty C

- **ACTIVITIES SUBCOMMITTEE TREASURER REPORT SUBMITTED BY Tanya D.**

Greetings Gold Coast Area,

This is the financial breakdown of the 44th anniversary dinner.

A total of 90 tickets were sold, 37 of which were purchased online for a grand total of \$1800.00.

The cost of the catering was \$3750.00.

The cake was \$101.24.

Sound equipment transportation was \$50.00

Coffee creamer and ice was 46.97.

Decorations, tableware, soda and other supplies were \$617.38.

The net total cost to the area is \$2765.53 which is under the \$3600.00 budget for the event

Check requests for reimbursement have been submitted to the treasurer.

We have reserved Caldwell pavilion at Snyder Park for Rap n Recovery scheduled for February 11, 2023. The Pavilion rental is \$428.00 and a check is being requested from the treasurer.

Buttons for Clean but Crazy on September 5th are now available from either the Gold Coast website or activities members for a presale cost of \$10 each. Buttons will be available at the event for \$15. As of the writing of my report six buttons have been sold online.

This is my last report as activities treasurer and I want to thank you all for allowing me to be of service.

- We also have 23 virtual meetings happening weekly in the area
- As usual I am including a digital copy of the Gold Coast areas helpline poster you may download this and share with friends and those in need via email text message social media.
