NAWS UPDATE

NA app updated, local website tips, IDT, WCNA

Feb 27, 2024, 7:07 PM

Hello,

As promised, we are writing to let you know that the NA app has been updated to reflect our new approach to helping people find meetings.

If you have automatic app updates turned off on your mobile device, you may need to manually update your app to see the changes. Remember: We are no longer updating in-person meeting information. If you do not update your app, you'll be seeing out-of-date information!

If you notice any map pins in the wrong place or have corrections for website or phonenumber information, let us know: nadata@na.org. To add a virtual meeting to the list, use the link at the top of the virtual meeting page.

Local Website Tips

It's more important than ever that meeting information on local websites is easy to find and to print. If you serve at an area or regional level, check to make sure someone logging on to your website for the first time can easily find meeting information. We don't always get a second chance to help an addict find recovery.

It's also important that meeting information be printable. In the past week, a couple of professionals contacted World Services because they were unable to print meeting information for their clients from local websites. If your website does not allow that, please consider making the changes needed so that meeting information can be printed. If you have any questions or concerns, don't hesitate to contact us wb@na.org.

Reimagining and Revitalizing NA Service

So much has changed for NA since the pandemic. We've posted workshop material to help local service bodies Reimagine and Revitalize NA Service Committees: www.na.org/idt. This is one of four Issue Discussion Topics (IDTs). The other three are Gender-Neutral and Inclusive Language in NA Literature, Dealing with Disruptive and Predatory Behavior, and DRT/MAT as it Relates to NA: Helping Members Take Root. Each of the IDTs has a workshop outline, PowerPoint, online input form, and notes sheets. These are great workshops to do at local events and conventions. Spread the word.

WCNA

WHO WILL BE the featured act at WCNA 38? It's a mystery...(We'll let you know when we confirm a band.)

What's for sure? The sooner you register, the better your seats will be—for the main meetings as well as ticketed events! Don't wait...

Gratefully,

World Board

REPORT NOTES

Meetings are ongoing in Nassau Tuesday through Friday at 7:00 PM. We are small and average attendance is 5 members with occasional visitors. One H&I meeting also takes place weekly with another about to get going at a government rehab center. Our Helpline is receiving calls from locals and potential visitors. Helpline # 1-242-802-6262.

Personally, I am thinking about stepping down with regards to holding trusted servant positions as I have to deal with a major court matter. More to be revealed. My thanks to all who've supported and assisted us here in the Bahamas.

REPORT NOTES

Beach and Bay has 4 groups currently. At our last area, which meets the second Monday of the month on Zoom, one of the meetings is now saying he's doing all the positions and is ending up paying the rent. He's considering folding or merging with another Monday night group in our area. We have 3 active groups and 4 meetings, because one of the groups meets twice a week. For H&I, we're doing well with Dach and I. We have 4 institutions and 2 more have asked us to join to bring members in. We have 8 open positions, including the Secretary, Alternate RCM, Meeting List, Public Information, Activities, Literature Review, Outreach and Newsletter. We do have an area website. The ASC meets the second Monday of the month on Zoom.

FINANCIAL REPORT:

We're financially stable.

(Is the Area BELOW Prudent Reserve, AT Prudent Reserve, or ABOVE Prudent Reserve?)

REQUESTS FOR REGION:

The only thing we need is suggestions on how to get out the word about open positions, especially of the secretary. The meetings are not formally written down or emailed to anyone.

Recommendation: Make a flier of the open positions to distribute in your meetings.

REPORT NOTES

Our area met on February 10, 2024 and on January 13, 2024, with one group in attendance in January and all groups in attendance for February. The meetings were called to order and business was discussed. A group expressed interest in starting a new meeting/ group and members expressed willingness to be a part of this start. We have openings for PR chair and Assistant Treasurer. We have multiple openings within the subcommittees. H&I meets on the first Sunday of each month at 3 PM. We're taking meetings at the local hospitals and institutions multiple times a week. (Please see the H&I report for more details.) We have a new H & I chair. Her contact information has been updated to our area roster. We have had excellent participation for H & I recently in our area. We currently have a nomination and qualification submitted for a PR chair. If confirmed, I will send the contact information for such to the Region Secretary. We have an ice cream social event being held by New Way to live on February 23, 2024, and ECCNA is hosting a "Let's Stay In Torch" bonfire event on March 2, 2024. Please see the flyers Our Something To Talk About event was held on January 14, 2024, with a great turnout of over 100 people, a good message of extreme strength and hope, and delicious food. For a small area we do well.

REPORT NOTES

Our ASC is held every second Sunday of the month with admin on the first Sunday of the month. It is done by hybrid. We have 26 groups. H&I is active with only one facility that we are not servicing - women's jail program. Entertainment hosts events virtually every month/ every other month. March 16th, we are having an R&B Jazz Brunch/ Speaker Jam. Our current H&I chair has stepped down. We are looking to fill that position with her vice chair and will be voting on at this next ASC. We have meetings every day of the week. Several times a day during the week. So we are thriving for the most part. We did take a hit post covid. We lost a lot of groups and some meetings are not doing as well as others. But we are still thriving. We are looking into doing a tri-area gratitude dinner in the future! We are also looking ahead to our 2025 convention. Our convention is every 2 years.

8. RD Report: Jon B

Hello family,

I am attaching a list of important dates and deadlines that NAWS has published concerning any upcoming meetings and events. The World Service Conference is now on a 3-year cycle with an interim virtual conference held in the middle of that 3-year cycle. The important dates concerning CAR/CAT releases and motion submissions and possible amendments. Currently there are 4 Issue Discussion Topics (IDT)s being discussed in Conference Participant (CP) webinars. The results of these IDTs can lead to future CAR motions. The four are as follows:

- Disruptive and Predatory Behavior
- Gender Neutral and Inclusive Language
- DRT/MAT as it Relates to NA: Helping Members Take Root
- Reimagining and Revitalizing Service Committees

At future RSCs, Mahdi and I will be conducting discussion and reviews of these IDTs in our Saturday afternoon 1:00-3:00 timeslots. We are currently planning on starting these at the June in person RSC. Tentatively we will be discussing Disruptive and Predatory Behavior. We can take the feelings and opinions discussed to our CP webinars.

NAWS is currently engaging delegates and Zones to participate in Zonal Planning Webinars. The first was held February 10th with the SEZF, NEZF, and Autonomy Zones. Mahdi and I participated in the webinar. We were broken into small groups and held discussions. Below is a synopsis of what was discussed.

Zonal Planning Webinar

Discuss how prioritized factors affect your local community.

Discuss possible solutions.

List A

External Factor -Evolution of technology

Internal Factors

Sense of safety, welcome, inclusion

Redundancy and lack of cohesion in service system

List B

External Factor

Harm reduction models or approach.

Internal Factors

Development and organization of trusted servants

Impact on the rise of Virtual NA

Small Group

1. How does this factor impact our ability to carry message?
2. What is the impact of this factor in our Zone? What is the primary challenge that needs to be addressed?

Small Group Questions

1. What successes have we had in addressing this problem?
2. How can we adopt our current approaches to develop possible solutions, so the problem becomes less disruptive?
3. What new possible solutions we should consider?

Future Webinars will be held,

24 February 11am–1pm & 2–4pm Pacific

9 March, 9am–11am & 12–2pm Pacific

6 April, 9–11am & 12–2pm Pacific

The APF, BZF, and EDM are all meeting in person to do the planning workshops.

NAWS is conducting an Open Webinar on Revitalizing H&I Service. It is open to all members and will be March 23, 2:00-3:30 PM Eastern time. Zoom code is 850 1204 3843. Passcode is 1953.

The Collaboration of US Zones has reported the results of the survey that has been discussed in previous RD reports. The majority of the responses are favorable so they will be going forward with future meetings. I will be reporting as more is revealed.

The SEZF has no new information. Florida Service Symposium March 14-17 at Sheraton Tampa Brandon Hotel. Registration is encouraged. Please visit <https://naflorida.org/fss/2024-2/>
A \$100 reimbursement is available for members who attend. Attendance must be verified at the event with Mahdi and me.

I want to thank everyone who attended the Fellowship Development Workshop we held on Saturday. The Florida Region did a really great job and were very generous in coming down and sharing with us information on FD. We had good attendance and participation. It is our hope that we can start to have a conversation about how we can participate in FD in our Region.

9. AD Report: Madhi M.

Hello and Greetings from AD:

I would like to start off my Report on how we have done in regards to insurance so far and would make a request at the end to make the insurance certificate process happen more smoothly and effectively.

We had 2 pending certificate issuance from our last Region meeting and apart from those 2 I have received 4 more so far that have been taken care of and final certificate issued to the Areas and/or Groups requesting them.

I would like to ask all Areas and Groups who need the insurance to answer a few questions that will go with the form to the broker for certificate issuance process.

Please make sure you include this info;

1. Date and time (10/27 8-11 PM)
2. Estimated attendance
3. Cost of admission
4. Will food be sold?
5. Any entertainment (DJ, comedy, etc)
6. Activities (games, bonfires, etc)
7. Name and contact info of Area or Group trusted servant who's requesting insurance.
8. Fill out the form attached to my report.

NOTE: This is not all. Sometimes the broker would need more info according to the type of event, that I would inform you on a case by case situations.

We also participated in January 20th CP (conference Participants) meeting and February 10th NEZF, SEZF, AZF planning workshops. it was a 4 hr discussions on IDTs (Issue-Discussion-Topics).
