Hello,

We have a couple of WCNA updates and a save-the-date notice for an August open webinar:

It takes many, many members to make WCNA possible. Want to help? Sign up for a slot to volunteer here: <https://volunteer.na.org/>. It can also be found on the convention information page. Please note that you must already be registered or plan to register to volunteer.

After you sign up for a volunteer slot (or slots!), you will receive a confirmation email.

(The software we use to gather the volunteer information and send the confirmation email comes from a company called "Golden." We are not affiliated with that company, and are unable to change the email footer.)

And guess what?! We've got a few more baseball tickets for sale! If you thought you were too late to get to the game — now's your chance. Nats v Yankees Wednesday night before the convention— get 'em now at <https://wcna38registration.streampoint.com/>. As always—limited number available.

Don't forget: There is a wealth of convention-related information available on www.na.org/wcna, including a link to upload photos at the bottom of the page. Part of what makes WCNA special is videos and displays illustrating the power of NA around the world. We need your help with this. If you have photos and clips from NA conventions and events please share them!!

If you're a local NA web servant or involved with listing meeting information, mark your calendar for our next open webinar which will focus on making sure meeting information is easy to find online. The webinar is scheduled for 3 August, 11:00 am–12:30 pm, Pacific Daylight Time (18:00–19:30 GMT). We will send a reminder with a link when it's closer to the date. You can find flyers for upcoming NAWS webinars, including this one here: www.na.org/webinar.

Gratefully,

World Board

All NAWS subscriptions are free. We are able to provide this service due, in part, to the generous contributions of our members. If you are a member, you can make a contribution here:

REQUESTS FOR REGION:

Hello, my name is Bobby, and I am an addict.

Our area is comprised of 3 groups for a total of 23 meetings weekly and we have good attendance. Our ASC meeting is held on the second Saturday of each month at 2pm and rotates hosting between the 3 groups. Our area met last May 11,2024 and previously on June 8,2024 . The meetings were called to order and business was discussed. Our new group is in the process of being started called "Surrender to Hope", it will be in the Port St. John area of Brevard county. We have a location in the works and the first meeting is scheduled to be in September of this year.

Our area has nominations in July with elections being the following month in August. We currently have openings for PI chair, Phone Lines, and Assistant Treasurer as well as multiple openings within the subcommittees. Our H&I committee meets on the first Sunday of each month at 3pm. We are taking meetings into local hospitals and institutions multiple times a week and the H&I in our area is thriving. We, as an area, thank you for the NA basic text donation to assist with these efforts.

The "Nacho Average Meeting" held by New Way To Live on April 26 had a great turn out and

message of recovery. New Way To Live is having a "Salad Smorgus" event on June 28 at 7pm following the Friday night meeting.

Our area has no requests of region at this time. Thank you for allowing me to serve.

FINANCIAL REPORT:

(Is the Area BELOW Prudent Reserve, AT Prudent Reserve, or ABOVE Prudent Reserve?)

REQUESTS FOR REGION:

Good morning South Florida Region,

The Gold Coast area has met twice since the last RSC. Also since the last RSC we have had our area convention. I am thrilled to report GCCNA was successful in many ways. The convention committee put on a spectacular event while never losing sight of our primary purpose. Many great workshops were held focusing on a variety of recovery related topics.

There were speakers, local and from out of town who did an exemporally job carrying the message. Activities were held that promoted unity while at the same time demonstrating life after drugs is worthwhile and at times, just plain fun. By every metric it was a great event, and it's organizers or to be commended.

Of least importance but still worth mentioning, NA funds were prudently used, last year's shortfall was made up, and it appears this convention, at the very least broke even. The GCCNA committee will be ready to report by our next ASC the final tally.

Our area's convention proves that a convention can be orchestrated by a sub- committee directly responsible to it's area, reporting monthly, accepting help, constructive criticism and praise, without having to be an Independent tax filing corporation , who is autonomous from the Area it serves.

Gold Coast manages to do it and we believe the region should be able to do it as well.

This brings me to the last item on my report.Gold coast would like to introduce a motion that prevents the SFRSCNA's board of directors from engaging in any contracts for this foreseeable future. We are doing this

in hopes of giving the region time to do what is necessary to get SFRSCNA back on track in regards to prudent use of NA funds, and hopefully bringing it back into the region as a subcommittee answerable to the region like any other subcommittee.

We are dismayed at the scheduling of this year's convention. Specifically, it's geographic and time proximity to the world convention. We are having troubles understanding having to have allocated eighty six thousand dollars without a written budget. And we are concerned about the lack of representation from the convention committee at last region when we were supposed to be informed of the results of the audit. At the very least, the optics are terrible and at worst there was a malfeasance that we have yet to be informed of, and can only be speculated about. We are aware of, and appreciate this year's chairperson's efforts. We feel she inherited a very difficult situation. Our motion is not an attempt to admonish her, and her committee's service this year. It is intended to prevent serious serious shortcomings in future years. We feel there is an imbalance in the service structure. Our traditions note that each group is autonomous, not each sub committee. The BOD's independent status puts them too far away from being directly responsible to those they serve.

We hope that the region can navigate these challenges without enmity, and that in the end, all matters are conducted in loving service.

We thank this body for giving us the opportunity to address our concerns, and we look forward to a productive outcome.

Yours in loving service,
Adam E.

REQUESTS FOR REGION:

Greetings From the Gulf Coast Area:

Our ASC and Subcommittees met on 5.12.24 and 6.9.24. Business was conducted, we have had some issues with fulfilling certain commitments but are hoping to fulfill all service commitments at our next ASC with nominations in July & elections in August. Our H&I commitments are being fulfilled, but are in need of trusted servants to step up to be of service. Our Activities Sub-Committee had a Gratitude taco dinner to finish off our capture the flag game. This was held on June 15th with a great turn out and lots of food, fun and fellowshiping. Our Area is currently involved with an Ad-HOC committee on participating and growing the multi area Unity Day that is held every year and are looking for people with experience in the planning of large events to assist and fill service positions. The next meeting will be held on July 21st at 10:45AM directly following the Ultimate Weapon group and will be hybrid & all are welcome & encouraged to attend (Flier attached).

June 2024 RCM Report

Our area is thriving and growing as we are absorbing some meetings from the recently dissolved Beach and Bay area. All our positions at the area level are currently being filled except for Helpline and PR (the chair stepped down last month) which will be filled at our next area service meeting as a willing volunteer has stepped up.

We are gearing up for our 2025 convention. The committee is hard at work to make this convention a success (date to be announced) \$15 pre-registration ends this month 6/30 at which time the registration price will be \$30.

We have teamed up with South Dade to host the return of our long-awaited H&I banquet to be held later this year more will be revealed.

Lastly, this year's 24-hour room committee along with our entertainment chair are upping their fundraising efforts to ensure that no addicted need be alone during the holidays....

Good morning.

Our area meets the second Sunday of every month at 9:30 am. We have finally filled all our area positions. We have 15 groups, with 25 meetings every week. Most of the H & I commitments are being covered. We are getting more people approved for the jail. We had a 7th tradition bandit, but that has been rectified. So we don't have a donation at this time because we are under prudent reserve.

8. RD Report: Jon B

Good morning, everyone.

First, I'd like to thank everyone who attended the IDT Workshop yesterday. We had 7 people in person and 1 on Zoom. Smaller attendance than I'd hoped but we still had a great round table discussion on 2 of the 4 IDTs. We covered Reimagining and Revitalizing Service Committees and Dealing with Predatory and Disruptive Behavior. Tentatively we will try to have another workshop on the other 2 IDTs at the next RSC.

News from NAWS.

Since the last RSC, NAWS distributed the minutes from the WSC held last year and a draft of the latest financial report. One of the first orders of business at the interim WSC meeting on 28 February and 1 March will be to approve the minutes. There was a CP Webinar in May. The Human Resource Panel (HRP) gave a presentation on Leadership Identification. They explained in detail the process they go through to effectively examine recommendations and nominations received from Regions, the World Board, and Zones (RBZs) to nominate NAWS trusted servants.

WCNA 2024. Pre-registration continues through 31 July. Pre-registering gives you \$10 off the full registration price, and it grants you access to the opening day of WCNA merchandise. Only pre-registrants are allowed into the merchandise room Thursday, 29 August. Registration numbers are at about 12,400 people. They will have an app made available before the convention with the programming instead of paper booklets, saving money on printing. They are also accepting photographs from members to be included in the videos they always show during the convention.

Collaboration of US Zones will be having their next meeting in July. Information from that meeting will be included in our August reports. SEZF will also be meeting in July and we will report on that in August.

Literature Review

Greetings from Lit Review;

Workgroups for literature updates are on the docket, no actual meetings have occurred as far as I have been able to ascertain,

Peace River has asked about the “updating the H&I handbook” project, and has offered to help. I reached out to NAWs, MatS(our former RD and zonal facilitator) and Danny G from the WB. A summary of their collective responses follows. At this stage it’s a project plan with Updating H and I basics taking priority. It’s way down on the list of priorities and the project won’t begin any time soon (my interpretation: it might not even happen this cycle or if it does it won’t be finished- maybe I’m mistaken)

Mahdi (AD) also contacted me and his information was consistent with what I had ascertained.

As a reminder, the main literature projects on deck for the next wsc are (currently IDTs)

1. Gender and inclusive language in NA literature
2. IP 21 - “The loner” revisons
3. Dealing with Disruptive and Predatory Behavior (IDT)
4. Reimagining and Revitalizing Service Committees (my editorial comment is this one seems to be getting some attention)
5. DRT/ MAT ; from my communications with WB and others this seems like it will be D.O.A. since there doesn’t seem to be consensus within the fellowship.

I’m providing a copy from the minutes from the 2023 WSC and below a link to the minutes;

Motion #21 Free State Region

To direct NA World Services to remove the Hospitals and Institutions Handbook from

the inventory.

Intent: To remove an outdated service manual from WSO inventory

Initial straw poll Motion #21: 24-82-2-5

22% Lack of strong support

Daniel then introduced the amendment to Motion #21. He explained that the cofacilitators would have considered this a substitute motion and not allowed it if the guidance about amendments in GWSNA had been clearer.

Motion #21-a1 South Florida Region, Co-maker: New Jersey Region

To substitute the wording of Motion #21 with the following:

Create a project plan for the next WSC to update the Hospitals and Institutions Handbook and remove outdated terms and references.

Initial Straw Poll Motion #21-a1: 71-24-3-15

72% Strong support

Mat S (RD South Florida) spoke to the amendment, stating that while parts of the handbook were outdated, other parts still had value and were widely used. He also expressed the hope that materials like this could be more easily updated in the future.

Tim stated the board's recommendation to update H&I Basics and to continue posting the H&I Handbook in its current form.

Kathleen M (RD Mid-Atlantic) voiced her concern about the challenges with the literature prioritization system.

Jadwiga B (RD Poland) shared that the handbook was widely used in her region, but acknowledged that it needed updating.

Daniel then asked whether there were any questions before the next straw poll.

Marcelo G (RD HOW Brazil) asked if the board was recommending the motion.

Tim replied that they were not, but were instead recommending updating H&I Basics.

In response to a question, Daniel explained again that the cofacilitators would not have allowed a substitute motion but for the statement made by the WSC cofacilitator in 2018 that substitute motions would be treated as amendments. Mario T (WSC CF) expressed the hope that there would be some discussion before the end of the WSC about possible revisions to GWSNA to better clarify the position on amendments and substitute motions.

Decision (Second straw poll) Motion #21-a1: 89-28-3-6

74% Amendment carried with strong support

No objection was voiced to taking the second straw poll as a final decision

Daniel then called for a final vote on Motion #21 as amended.

Motion 21 as amended: Create a project plan for the next WSC to update the Hospitals and Institutions Handbook and remove outdated terms and references.

Decision Motion #21 (as amended): 109-13-3-1

87% Motion carried with consensus support

This concluded the CAR Discussion and Decision sessions. Tim ended the day with a round of applause for the cofacilitators and staff, and a reminder that tomorrow's session would begin at 9:00 am sharp.

Public Relations

We met on Saturday, June 21, in person and on the Zoom platform. The chair, Webmaster, Vice-Chair, AD was in attendance. A new website was built for the region and will be submitted on the region floor for approval. A check request in the amount of 700.00 will be submitted to cover half of the helpline billing for the January-May billing cycle. A check request in the amount of 1415.00 will be submitted to match funds from the Gold Coast area pancakes for the PR event. This is in our budget item for area media events. PR is still without a chair. We are looking into purchasing software to create training videos for future trusted servants. We will be attending the Florida Behavioral Health Conference in August. Help was given to the Unity Springs Area with their helpline and a new website which will be voted on by their groups.

In loving service

Thank you for taking this opportunity to consider my Nomination for the position of Assistant Secretary to the South Florida Regional Service Committee. I am humbled by the Nomination and grateful for all of the support that I have received from the community, and their belief in my ability to bring my experience and skill set to the table. My name is Nicky6 A. and I am an addict. On September 14, 2021, I chose to stop feeling sick and tired, of feeling and being sick and tired. I had the willingness to get clean; I just couldn't seem to find my footing, and not for a lack of trying. I am forever grateful to the kind woman who reminded me that help was there, and that I could go to those meetings to which I was too scared and embarrassed to return. I made a decision to surrender to the processes of getting my life back in the rooms of Narcotics Anonymous and not die as a hopelessly embarrassed, societally-disgraced, alcohol-addicted, life-worn junkie in the bonus room above my garage in an HOA neighborhood. Addiction isn't picky. If it wasn't me this time, the numbers show that it will be someone else.

To be of service to others was something I was raised to do, and continues to be an integral part of my personal recovery. To have the opportunity to be one of the many it takes to support our organization is the most humble and gracious way I can give back to this community. Since becoming a member of the Gold Coast Area of Narcotics Anonymous in 2021, I have been of service to our community in the following capacities:

- Gold Coast Area Service Committee - Secretary; September 2023 - Present
- Gold Coast Area Hospitals and Institutions Subcommittee - Secretary; September 2023 - Present
- Gold Coast Area Hospitals and Institutions -Presentation Commitment Co-Chair: September 2022 - Present
- Gold Coast Area Public Relations Subcommittee - Secretary; May 2023 - Present
- Gold Coast Area Public Relations Subcommittee - Helpline Volunteer; June 2023 - Present
- Gold Coast Area Policy Subcommittee; January 2023 - Present
- Group Service Representative to the Gold Coast Area Service Committee - September 2022 - September 2023
- Intra - Home Group Service Commitments - Meeting Chair/Secretaries Report and Keytags/Greeter; June 2022 - Present
- Participation in the Locally Developed Literature Program - Contributor to the "Gold Coast GSR Survival Guide", a "living-document" resource available to all Gold Coast Group Service Representatives and the recovery community at large.

I have a working knowledge of the 12-Steps and 12-Traditions, and I am familiar with the intent and meaning of the 12-Concepts. At present, I am working toward developing a mutually trusting and respectful relationship with a potential new Sponsor, and have an incredibly diverse support structure in the community. I respect my recovery and that of the others in the recovery community as a whole. Thank you for your kind patience, and consideration in the matter of my Nomination for the position of Assistant Secretary to the South Florida Regional Service Committee. Thank you for your Service.

Respectfully and In Loving Service,
Nicky6 A,

16. Treasurer's Report

June 22, 2024

- April Balance \$18,805.95 Truist \$13,000 approx in Quicken
- June Balance \$23,116.10 Truist \$17,073.97 Quicken - June bank and Quicken balance with current outstanding checks that were just written for recent check requests.

Operating balance \$17,073.97

Prudent reserve \$21,000

Below reserve (\$3,926.03)

The bank account and quicken now match. I apologize for not being perfect last meeting. We had deposits of \$10,170.09 from area donations and just a couple small expenses like the mailbox renewal and Quicken renewal. The big expense was the February meeting. This meeting will also be a significant expense and I'm guessing when it's all said and done we'll be 7-8 thousand under prudent reserve again.

****UPDATE on 6/23/2024: With expenses this weekend, approx \$10,770 current operating balance.*

Any questions, concerns or check request, please send to treasurer@sfrna.net
